Planning & Verslagen

The background is a light green, rounded rectangular area with a dashed white border, resembling a garden bed. Inside, there are several illustrations: a white outline of a leafy vegetable with a bulbous root on the left; a brown rake on the left; a green cucumber with a yellow sun behind it at the bottom; a white outline of a leafy vegetable on the right; and a small green plant in a pot with a brown leaf next to it at the top right. The text is centered in the middle.
